

A Letter from your Choir Director, Torri Airhart

Dear ARC Singers,

I am so pleased and proud to be sending you this welcome/greeting in anticipation of our relaunch in January. It has been a long haul since March 2020 when we all last had the opportunity to be in the same room and make live music. So much has changed, and yet we can take some comfort that some things are still the same.

Music is still a passion that moves and speaks to our souls. We are still united in using our breath to bring the music to life.

The experience of gathering together in community to experience the magic of music together has been absent for these past 18 months (plus) but we are taking steps to regain what we have been missing.

It will be pure joy to be in the same room, to remember what it is to stand together, to use our God given individual vocal instruments in concert together, and remember what it is to breathe together. The simple things will be fresh and exciting again.

ARC is reborn into a new chapter.

I can't wait to see you all in January.

Torri Airhart
ARC Principal Director
